

CUSTOM STAIR PARTS PROGRAM

Crown Heritage can manufacture a range of custom products specific to your building project. We plan and design drawings to your staircase specifications or from your CAD drawings. We can produce your design in any of our available hardwood species. Another way Crown Heritage brings you extraordinary style.

- Provide a picture or drawing of the item.
- Choose your wood specie.
- We provide an initial quote.
- Upon approval of the quote, Crown Heritage will provide detailed drawing for approval.

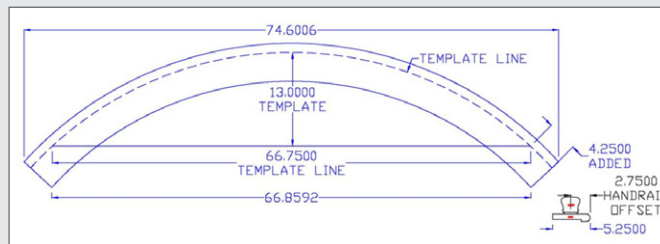

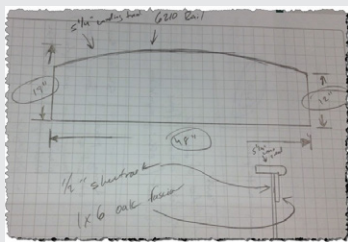

CUSTOM CURVED PRODUCTS

From concept to finished product, Crown Heritage has the capability to produce flat curved products in any species.

- Handrail
- Treads
- Starting Steps
- Landing Tread

CUSTOM TURNED PRODUCTS

Whether it's a duplicate of a historical part or your own unique custom design, Crown Heritage can manufacture to your specifications.

Historical Original Part

Finished New Part
